

# CHAT club (Communities Helping All Together)

We are so pleased to be working with Rev Gemma Turner to create a community safe space for all ages and backgrounds and have created a **CHAT club**. Our grand opening will be in the hall on Sat 10th July from 10.00 until 12.00.

You can find us on FaceBook on

<https://www.facebook.com/groups/315457943379660> and we are called **CHAT**.

We want to make a positive difference for people as we come out of lockdown, so are holding coffee mornings and evening activities to which you are all very welcome. Our base is the Church Hall next to All Saints' Church Hessle. While we are not a church group; they have kindly donated the space for free. Our **CHAT club** is open to all members of the communities of Hessle, Anlaby, Willerby, Hull and their surrounding areas. We aim to provide a safe and welcoming place with no religious or political agenda for people to come and make new friends, while following current safety guidelines.

Refreshments will be on offer on a 'pay what you can' basis. If you can afford £1, please give it. If you can only afford 1p, or even nothing, that's also fine.

All we ask in return is that people give as much as they can to the group (in order to support each other) and take back only what they need.

Female sanitary products and baby changing products will also be available. If you can afford to contribute to their costs, please do. If you can't, don't worry! Any money given during each session will be reinvested back into the **CHAT club**. You can also donate online on our JustGiving page:

<https://www.justgiving.com/crowdfunding/sally-groves-4>

As the group grows, we will organise day trips and weekends away which can be paid for over a period of time for those on a budget.
